"A number of friends have taken part in the London Youth Games (LYG) over the years, and I heard about volunteering with GamesForce through an email sent out by my university. I am very passionate about sport, volunteering and helping others so thought I'd give it a go!"

How has LYG helped you?

I have gained a number of skills whilst being a volunteer and team leader for LYG these include; organisational, leadership, communication and confidence, LYG has more than definitely allowed me to grow in confidence over the years.

All these skills learnt and experiences have more than definitely helped with my job applications/ interview to become a London Firefighter. I am forever grateful to LYG and its staff for all their help and support along the way, which is why I will continue to give back to LYG by volunteering as a team leader.

LYG has more than definitely been the making of me over the years, allowing me to grow in confidence and gain an amazing job as a Firefighter. I have met some amazing people and LYG is like family to me which is why I will continue to volunteer."

"LYG has also provided me with the opportunity to go on the following training courses:
Cricket Young Umpires Award - Boccia Regional Referees Award - Basketball Level 1 Referee
- Swimming Time Keeping - GamesForce Events Award - Level 1 Sports Volunteer Award -
Disability Equality Online training"
