4. SPORTS RULES:

a. Each match consists of 4 players (2 boys and 2 girls from Years 5 and/or 6). Players should be numbered 1 and 2 – with your higher ability player number 1.

b. Each match consists of 4 separate rubbers: Boy 1 v Boy 1 Singles | Boy 2 v Boy 2 Singles | Girl 1 v Girl 1 Singles | Girl 2 v Girl 2 Singles.

c. Once the team has commenced playing a rubber there may be no substitution even in the case of injury. However a reserve can be fielded for subsequent matches in the place of an injured or ill player.

d. Reserves must be a like-for-like gender swap and the higher ability player must take the player number 1 role.

e. The serve is decided by a 'toss' at the start of the rubber. The nominated person serves for the first point, it then alternates every 2 points. When serving, players should stand behind the baseline – the ball must not be bounced before being hit.

f. The serve can be hit over or under arm. Serves should be hit diagonally, landing in the diagonally opposite service box. Players are allowed a second serve if the first is not successful.

g. Simple numbered scoring is used i.e. 1, 2, 3, 4 etc (instead of traditional tennis scoring (15, 30, 40 etc)).

h. Players play each rubber for a set period of time, until the whistle blows. The length of matches depends on time available and amount of entries, although it will normally be around 5 minutes per match.

i. At the end of each match the final score entered would either be; 4-0, 3-1, or 2-2 – taking into account the individual results from each of the 4 rubbers.

j. If the rubber is a draw when the whistle blows a further deciding point is to be played.

k. Group winners will be calculated by total rubbers won. In the event of a tie in Group positions will be decided by the followings: Total points won (all matches), points difference, (i.e. subtracting total points against from total points scored) and finally result of the match between the two teams tied.

l. Young leaders and officials will assist the players to score matches.

m. If a team is not able to play a game (e.g. they have left) then within the round robin stage a 4-0 walkover will be awarded to the opposition.

5. The 'Schools Games Tennis Toolkit' is an interactive CD-Rom, which contains 40 resources and templates to assist the delivery of schools competitions. Resources can be downloaded and full copies can be ordered from: <https://www.tennisfoundation.org.uk>

6. The Competition Director's decision is final and reserves the right to suspend/cancel the event where required by weather/unsafe conditions.
