

21ST DECEMBER

WORLD BASKETBALL DAY

DID YOU KNOW?

We are celebrating the first World Basketball Day on **21st December**?!

FUN FACT!

Basketball was played for the first time on December 21, 1891 at the International YMCA Training School in Springfield, Massachusetts, USA, after Dr. James Naismith, a Canadian physical education instructor, developed the game to keep his students active during the winter months.

Read more about World Basketball Day here.
