London Youth Games is run by the LYG Foundation; a registered charity. The games were established in 1977 and have run every year since then and is now Europe’s largest youth sports festival. The season of events traditionally starts in November with Cross Country and culminates with the Finals event in July where the winning Borough are awarded with the Jubilee Trophy.

Logical Safety Solutions, hereafter referred to as LSS, has been appointed by London Youth Games, hereafter referred to as LYG, to provide a Safety Plan and various Risk Assessments to cover their works throughout the 2023-2024 LYG Season. **This RA will cover the Qualifier Competitions and Hub Finals.**

The Qualifier Competitions and Hub Finals will take place at various venues, schools / boroughs will be responsible for getting the children to and from the venue. LYG will ensure that the venues are fit for purpose, they will all be existing leisure facilities or schools. Borough leads will be issued with key information on the venue and the competitions to ensure that they are suitably prepared.

Spring

Event	Venue	Date	Type
Trampolining	Talacre Community Sports Centre	Sunday 28th January	Open
Sportshall Athletics Qualifier 1	Redbridge Sports Centre	Tuesday 6th February	Schools
Sportshall Athletics Qualifier 2	Harrow Leisure Centre	Wednesday 7th February	Schools
Sportshall Athletics Qualifier 3	Osterley Sports Centre	Thursday 8th February	Schools
Sportshall Athletics Qualifier 4	Westcroft Leisure Centre	Friday 9th February	Schools
Indoor Cricket Qualifier 1 - Male	Harrow Leisure Centre	Saturday 24th February	Open
Indoor Cricket Qualifier 2 - Male	Harrow Leisure Centre	Sunday 25th February	Open
ParaGames Boccia (Schools) and Inspire Festival	Lee Valley Hockey and Tennis Centre	Tuesday 27th February	Open
ParaGames Boccia (Open)	Lee Valley Hockey and Tennis Centre	Wednesday 28th February	Schools

ParaGames Boccia (Schools)	Canons Leisure Centre	Thursday 29th February	Schools
Indoor Cricket Qualifier 1 - Female	Harrow Leisure Centre	Saturday 2nd March	Open
Indoor Cricket Qualifier 2 - Female	UEL Sportsdock	Sunday 3rd March	Open
RFU Rugby	Wasps FC	Tuesday 5th March	Schools
Spring Hub Day 1			
Netball Y7	Redbridge Sports Centre	Tuesday 19th March	Schools
Sportshall Athletics Finals	Redbridge Sports Centre	Tuesday 19th March	Schools
Primary Golf	Redbridge Sports Centre	Tuesday 19th March	Schools
Girls Football Y56	Redbridge Sports Centre	Tuesday 19th March	Schools
Spring Hub Day 2			
Netball Y56	Redbridge Sports Centre	Thursday 21st March	Schools
New Age Kurling	Redbridge Sports Centre	Thursday 21st March	Schools
Badminton Racket Pack	Redbridge Sports Centre	Thursday 21st March	Schools
Adapted Inspire Festival	Redbridge Sports Centre	Thursday 21st March	Schools
Girls Football Y34	Redbridge Sports Centre	Thursday 21st March	Schools
Indoor Cricket Finals	UEL Sports Dock	Sunday 24 th March	Open
Basketball School Finals	SCORE Centre	Monday 25th March	Schools

Summer

Event	Venue	Date	Type
Inclusive Basketball	SCORE Centre	Thursday 25th April	Schools
Futsal (Boys)	Crystal Palace National Sports Centre	Tuesday 30 th April	Schools
Futsal (Girls)	Crystal Palace National Sports Centre	Wednesday 1 st May	Schools
ParaGames Swimming	The Spa at Beckenham	Tuesday 16th May	Open
Handball (Boys)	SCORE Centre	Saturday 18th May	Open
Handball (Girls)	SCORE Centre	Sunday 19th May	Open
NFL	Wasps FC	Thursday 23rd May	Schools
Basketball Qualifier (Boys)	UEL Sportsdock	Saturday 25th May	Open
Basketball Qualifier (Girls)	UEL Sportsdock	Sunday 26th May	Open
Squash	Cumberland Lawn Tennis Club	Sunday 26th May	Open
Judo	UEL Sportsdock	Saturday 1st June	Open
Football, Tennis Qualifier and Indoor Rowing	Gunnersbury Park Sports Hub	Sunday 9th June	Open
3v3 Basketball Finals	SCORE Centre	Monday 10th June	Schools

ParaGames Athletics	Mile End Stadium	Wednesday 12th June	Open
Redbridge Weekend Hub Day 1 - Table Tennis	Redbridge Sports Centre	Saturday 15th June	Open
Redbridge Weekend Hub Day 1 - Tennis Qualifier 2			
Kayak Slalom and Sprint	Fairlop Outdoor Activity Centre	Saturday 15th June	Open
Redbridge Weekend Hub Day 2 – Netball	Redbridge Sports Centre	Sunday 16th June	Open
Redbridge Weekend Hub Day 2 – Badminton			
Gunnersbury Weekday Hub 1 – Rounders	Gunnersbury Park Sports Hub	Tuesday 16th May	Schools
Gunnersbury Weekday Hub 1- Disability Tennis Festival			
Gunnersbury Weekday Hub 1- Sitting Volleyball			
Gunnersbury Weekday Hub 1 - Tennis Mini Red			
Gunnersbury Weekday Hub 1 – RFL			
Gunnersbury Weekday Hub 1 – Inspire Festival			
Gunnersbury Weekday Hub 2 - Dynamos Cricket	Gunnersbury Park Sports Hub	Wednesday 19th June	Schools
Gunnersbury Weekday Hub 2 - ParaGames Football			Open
Gunnersbury Weekday Hub 2 - Adapted Inspire Festival	Gunnersbury Park Sports Hub	Wednesday 19th June	Schools
Orienteering	Gunnersbury Park Sports Hub	Wednesday 19th June	Schools
Volleyball (Boys)	UEL Sportsdock	Saturday 22nd June	Open
Athletics	Waltham Forest Feel Good Centre	Saturday 22nd June	Open
Volleyball (Girls)	UEL Sportsdock	Sunday 23rd June	Open
Dance	Copper Box Arena	Friday 28th June	Schools

Information relating to the event is as outlined in the emails and discussions between Eleanor Western (LSS) and Lucy Baines of LYG along with information provided in supplied project documentation.

See the Event Safety Plan for full details of the activity see the Operations Plan (LYG).

RFU Rugby will be covered off in an additional separate RA.

This risk assessment should not be read in isolation, but should be read in conjunction with:

- Event Safety Plan (LSS)
- Event Documentation issued by LYG

2 Risk Assessment Matrix

6x6 - Risk Assessment Definitions, Ratings and Matrix Guide

The purpose of the risk assessment is to identify significant hazards, those controls already established, and then to eliminate or minimise risk to a level that is As low As Reasonably Practicable. (ALARP)

Activity	The task, job or type of work the person(s) are doing.
Hazard	Anything that has a potential to cause harm
Hazardous Event	Contact with a hazard
Likelihood	The level of probability that an accident will occur as a result of contact with or exposure to a hazard.
Severity / Consequence	Reasonably foreseeable negative outcome following a hazardous event (injury, damage or loss)
Risk Rating	A calculation based on multiplying the consequence by the likelihood to produce a level of risk associated with the hazard.

Severity / Consequence =	Minimal	No injury, potential for minor damage No impact on the activity or business	Likelihood =	Rare	Never happened before, no reason to suggest an incident would occur
	Minor	Minor injury requiring basic intervention Minimal impact on the activity or business		Very Unlikely	On the balance of probability, the chances of an incident occurring would cause widespread surprise
	Moderate	Moderate injury requiring professional intervention Moderate impact on the activity or business		Unlikely	On the balance of probability, the chances of an incident occurring are less than 50/50
	Significant	Significant injury requiring professional intervention and / or hospitalisation Significant impact on the activity or business		Possible	On the balance of probability, the chances of an incident occurring are approximately 50/50
	Major	Major / life changing injuries leading to long term incapacity / disability / single fatality Major impact on the activity or business		Probable	On the balance of probability, the chances of an incident occurring are higher than 50/50
	Catastrophic	Multiple major injuries, life changing injuries or more than one fatality Catastrophic impact on the activity or business		Almost Certain	The next time the activity is undertaken it is almost certain that it will result in an incident

		SEVERITY / CONSEQUENCE					
		1 Minimal	2 Minor	4 Moderate	6 Significant	8 Major	10 Catastrophic
LIKELIHOOD	Almost Certain 10	10	20	40	60	80	100
	Probable 8	8	16	32	48	64	80
	Possible 6	6	12	24	36	48	60
	Unlikely 4	4	8	16	24	32	40
	Very Unlikely 2	2	4	8	12	16	20
	Rare 1	1	2	4	6	8	10

Risk Rating		
01 - 10	Trivial / Very Low	Monitor and review
12 - 24	Tolerable / Low	Monitor and review, additional risk reduction measures should be considered
32 - 40	Moderate / Medium	Additional risk reduction measures should be considered and implemented where practical
48 - 64	Significant / High	Additional risk reduction measures are required along with strict control systems and procedures
80 - 100	Intolerable / Very High	Stop the activity or manage with very strict control systems and procedures

3 Risk Assessment Matrix: Venues, Event Infrastructure and General Safety Measures

Ref	Activity	Hazard & Consequence	Who is at Risk	Control measures that must be in place to achieve the residual risk rating	Risk Rating			Actions/Comments
					L	S	R	
1	Lack of effective planning and communications	<p>Failure of the pre-event planning process and / or the event safety management systems and procedures.</p> <p><i>Effect - failure of the safety systems and procedures resulting in a significant impact upon the event and a potential for physical injury, life changing injuries or death.</i></p>	<p>Workforce</p> <p>Guests</p>	<p>The event is subject to a number of pre-event planning meetings with relevant key stakeholders including the venues and competition officials.</p> <p>London Youth Games are responsible for the management and delivery of safety in respect of their undertakings*.</p> <p>Safety information will be collated and communicated, as required, to all relevant persons, including but not limited to, employees, contractors, suppliers, statutory bodies, emergency services and such others as applicable so as to ensure all health & safety duties and obligations are adequately discharged and effective systems and procedures are employed to safeguard those working at, participating in, visiting or otherwise affected by the event.</p>	4	4	16	<p>*Activities undertaken by other agencies or organizations are not the responsibility of LYG.</p>
2	Venue Selection	Lack of suitable venues and/or activity, display, or activation areas.	<p>Workforce</p> <p>Guests</p>	The events take place within venues selected by LYG. All venues are existing leisure centre facilities and have agreed that the proposed	2	6	12	

Ref	Activity	Hazard & Consequence	Who is at Risk	Control measures that must be in place to achieve the residual risk rating	Risk Rating			Actions/Comments
					L	S	R	
		<i>Effect - unsafe / hazardous venues, work, activity, display or activation areas resulting in a significant adverse impact upon the event and potential for physical injury</i>		<p>activity and numbers attending can be suitably accommodated.</p> <p>LYG have undertaken site visits to all venues.</p> <p>LYG will liaise with the venues prior to the competitions and highlight any concerns or issues.</p>				
3	Arrival and venue installation procedures, driving /parking / unloading van	<p>Failure to maintain control of equipment Vehicles / vehicle impacts</p> <p>Vehicle/pedestrian impacts</p> <p>Vehicle/venue infrastructure impacts</p> <p><i>Damage to vehicles/infrastructure</i></p> <p><i>Personal injuries</i></p>	<p>Workforce</p> <p>Guests</p> <p>Public</p>	<p>A competent member of the LYG team will be appointed to oversee the safe work of installation and to liaise with the venue and statutory authorities where required.</p> <p>All persons engaged in the delivery of the event will be trained and competent for the tasks they are undertaking.</p> <p>All those working on the event are to be issued with safety guidance in advance and each contractor will be responsible for their own</p>	4	4	16	

Ref	Activity	Hazard & Consequence	Who is at Risk	Control measures that must be in place to achieve the residual risk rating	Risk Rating			Actions/Comments
					L	S	R	
				<p>working area as required by those safety rules and guidelines.</p> <p>Venue are to advise on suitable parking / unloading areas. LYG are to ensure that thoroughfares and emergency exits are not obstructed during unloading.</p> <p>Vans are to be loaded appropriately and loads secured during transit. Van drivers are to be competent.</p> <p>Drivers are to be competent and fully insured. Drivers will operate vehicles in accordance with the highway code.</p>				
4	Manual Handling	Muscoskeletal strains or injuries as a result of carrying kit / equipment	Workforce	<p>Workforce are to be aware of correct manual handling techniques.</p> <p>Kit / equipment is to be unloaded as close to the event areas as possible.</p>	4	4	16	Injured persons are not to carry kit / equipment.

Ref	Activity	Hazard & Consequence	Who is at Risk	Control measures that must be in place to achieve the residual risk rating	Risk Rating			Actions/Comments
					L	S	R	
				Use of trolleys or similar to carry kit is to be utilised, or multiple persons sharing the load of equipment. Workforce are not to carry kit or equipment that is beyond their physical capability.				Use of external crewing agency to be utilised as appropriate.
5	General layout and condition of event areas	Slips, trips, falls or similar resulting from uneven flooring, spills on floor or the poor layout of infrastructure	Workforce Guests	LYG Event Manager to ensure that the event areas are suitable for use and fit for purpose prior to participant arrival. All workforce are advised on event / venue specific issues. Ground is to be checked for litter / significantly uneven ground conditions and similar that could cause a slip or trip. All areas will be monitored throughout the event to ensure that any damage or debris are removed / repaired. All infrastructure is to be suitably installed and routinely checked to prevent trips.	4	4	16	
6	Conflict between the event and other venue users	Lack of suitable segregation between other users and guests	Guests Workforce	Venues are leisure facilities, LYG will have access to their event areas, however it is likely	6	2	12	

Ref	Activity	Hazard & Consequence	Who is at Risk	Control measures that must be in place to achieve the residual risk rating	Risk Rating			Actions/Comments
					L	S	R	
		resulting in collision / overcrowding of areas	Other venue users	<p>that other areas of the venue will be in use by other users (general public).</p> <p>As appropriate access to the LYG areas are to be maintained and unauthorized access prevented.</p> <p>Where changing rooms are used by LYG participants these are to be monitored and no external public should use these. (Where changing facilities are shared with public this is to be clearly communicated to Boroughs / Schools) for their awareness and action.</p>				
7	Personal Protective Equipment	<p>Lack of appropriate PPE for the type of work activity being undertaken</p> <p>Exposure to adverse weather conditions due to the issue of in appropriate clothing.</p> <p><i>Effect - potential for physical injury or ill health</i></p>	Employees Contractors	<p>Provision of PPE is the responsibility of the employee's employer and is required following their risk assessment for the activities and tasks being undertaken.</p> <p>Staff working during periods of low light and in areas where they may be moving vehicles to wear a suitable Hi Viz vest / jacket.</p> <p>LYG workforce that are moving equipment (barrier and similar) are advised to wear safety footwear.</p>	2	6	12	

Ref	Activity	Hazard & Consequence	Who is at Risk	Control measures that must be in place to achieve the residual risk rating	Risk Rating			Actions/Comments
					L	S	R	
9	Working Hours	Prolonged working hours, working at night <i>Effect - Fatigue, Lack of concentration, physical injury</i>	Employees Contractors	A production schedule is to be generated indicating the extent of working hours. Contractors are to select staff and staff numbers to suit the anticipated working hours. The Event Manager to have authority to suspend work where there is a perceived increased risk due to fatigue.	6	2	12	
10	Branding	Collapse or fall of branding onto persons or other infrastructure resulting in injury	Workforce Guests Public	All branding should be fixed in a secure manner. All fixings being used to secure branding should be fit for purpose and structurally sound. All banner locations to be assessed for suitability.	2	4	8	

Ref	Activity	Hazard & Consequence	Who is at Risk	Control measures that must be in place to achieve the residual risk rating	Risk Rating			Actions/Comments
					L	S	R	
				<p>All free-standing banners will be adequately weighted to prevent them falling onto persons and collapsing.</p> <p>Use of proprietary fixings for all banners.</p> <p>No branding will obstruct public circulation or cause a trip/fall hazard during deployment.</p>				
11	AV Equipment Display screens. sound systems and similar.	<p>Insecure or incorrectly installed equipment.</p> <p><i>Effect - collapse of equipment resulting in serious injury, damage to equipment / venue</i></p>	<p>Workforce Guests Other venue users</p>	<p>All equipment should be constructed, installed, operated and maintained by competent persons.</p> <p>All necessary equipment in public areas should have secondary safety fixings attached.</p> <p>All electrical equipment must have suitable electrical breaker and RCD fitted.</p>	2	6	12	

Ref	Activity	Hazard & Consequence	Who is at Risk	Control measures that must be in place to achieve the residual risk rating	Risk Rating			Actions/Comments
					L	S	R	
				All speakers stands, etc. are to be sufficiently braced and secured so as to prevent structural collapse or the structure falling over.				
12	Film Crew / Media Activity	Injury as a result of filming activity Poor safeguarding practices	Guests Workforce	<p>Only approved media agencies to be in place. Media to have suitable briefing where children have not consented to images taken.</p> <p>LYG safeguarding policy in place and communicated to key persons.</p> <p>Workforce advised they must not photograph children without LYG consent.</p> <p>Film / Media Crew will be competent and experienced, they will operate under their own RAMS.</p> <p>All participants / spectators will be advised that they are being filmed / photographed and agree to this.</p>	2	4	8	<p>Suitable photograph y waiver to be in place as appropriate. Children who do not consent to their images being taken to be suitably identifiable by media. Media to ensure that these children are not</p>

Ref	Activity	Hazard & Consequence	Who is at Risk	Control measures that must be in place to achieve the residual risk rating	Risk Rating			Actions/Comments
					L	S	R	
				<p>LYG will advise the film / media crew if they have concerns with regards to their activity.</p> <p>Film / media crew are to ensure that their actions and equipment do not result in trips or collisions.</p> <p>Cables are to be suitably managed to avoid trips.</p>				photographed.
13	Welfare provision	Lack of toilet provision No access to water / food	Guests, Workforce	<p>Venue has suitable toilet provision, where appropriate temporary toilets will be installed.</p> <p>Teams and participants advised where toilets are shared with other park users / public.</p> <p>Water available for workforce at all times.</p>	4	2	8	
14	Staff and Volunteers Activities (Training)	Training and information.	Voluntary, etc staff and others affected by their acts or omissions.	Briefing sheets will be sent out prior to event, with supervisors/team leaders appointed early.	4	4	16	

Ref	Activity	Hazard & Consequence	Who is at Risk	Control measures that must be in place to achieve the residual risk rating	Risk Rating			Actions/Comments
					L	S	R	
				Suitable briefings to take place with all staff and volunteers prior to work commencing so that everyone understands safety and safeguarding measures in place.				
15	Staff and Volunteers Activities (Welfare)	Welfare issues.	As above.	Provision of sanitary facilities, food and water will be available during working hours. Staff working outdoors are to be advised in advance and have access to shelter and suitable breaks.	2	2	4	
16	Staff and Volunteers Activities (Comms)	Control and communication	As above	<p>Ongoing supervision takes place throughout all phases of the event.</p> <p>Mobile phone systems are available to all supervisors, key contact numbers are to be shared.</p> <p>Volunteers will not undertake lone working.</p>	4	4	16	

Ref	Activity	Hazard & Consequence	Who is at Risk	Control measures that must be in place to achieve the residual risk rating	Risk Rating			Actions/Comments
					L	S	R	
17	Competition Officials	Lack of competency / failure to manage sports	Participants and workforce	<p>All Competition Officials will be selected by LYG, they will be required to demonstrate competency within their sport.</p> <p>LYG will undertake safeguarding checks for competition officials in line with regulated activity and sports specific requirements.</p> <p>Competition officials will review this RA and where significant departures / changes these are to be made in agreement with the LYG Event Manager.</p>	2	4	8	Competition Officials should be registered with their sports governing body where applicable.
18	Safeguarding - children and vulnerable persons	Lack of safeguarding measures in place	All workforce and persons attending	<p>LYG will work in accordance with the LYG safeguarding policy. This will require staff to:</p> <ul style="list-style-type: none"> - Not be alone with a participant at anytime. - Ensure that the event areas / music and similar is suitable and secure for participants. - LYG will escalate any safeguarding concerns to the safeguarding officer / local authority. 	4	4	16	the ending to include, with a follow up to parents / guardians by the LYG DSL were appropriate.

Ref	Activity	Hazard & Consequence	Who is at Risk	Control measures that must be in place to achieve the residual risk rating	Risk Rating			Actions/Comments
					L	S	R	
				<p>All participants are to attend with their school / Borough Team under parental / guardian consent.</p> <p>Participants are familiar with the nature of the event.</p> <p>Participants are aware of changing provision, LYG will ensure that these are in use by participants and suitable workforce only.</p> <p>No child and workforce staff member will be left alone at any time.</p> <p>Schools and BTO's will ensure that the consent form will capture medical information and in case of emergency contact details. Schools and BTO's will ensure that they have suitable staff ratios in place to supervise their children.</p> <p>BTO's / Schools will be responsible for their travel to and from the venues.</p> <p>All staff on site aware of the ages of participants and to be mindful of their language and interactions with children to ensure that they are appropriate.</p> <p>LYG safeguarding officer to be present at event or contactable. Key staff to be aware of the safeguarding policies and procedures.</p>				

Ref	Activity	Hazard & Consequence	Who is at Risk	Control measures that must be in place to achieve the residual risk rating	Risk Rating			Actions/Comments
					L	S	R	
				<p>Suitable medical provision in place for the event.</p> <p>Parents / Guardians will be notified in the event of injury to their children by BTO/School lead or the LYG Designated Safeguarding Lead (DSL) were appropriate.</p> <p>Any complaints or comments raised by participants or their parent /guardians will be directed to the safeguarding officer for their information or action.</p>				
19	Fire Prevention General	Fires arising from waste, event infrastructure and similar	Contractors, staff, volunteers, walkers.	<p>Venues will have an existing Fire RA in place with fire fighting provision and emergency procedures in place.</p> <p>Event branding and pop up structures to be fire retardant.</p> <p>All generators will have an adjacent fire extinguisher (CO2/Powder).</p>	2	8	16	

Ref	Activity	Hazard & Consequence	Who is at Risk	Control measures that must be in place to achieve the residual risk rating	Risk Rating			Actions/Comments
					L	S	R	
				<p>LYG will supplement the existing venue provision where appropriate.</p> <p>LYG staff will familiarise themselves with the emergency procedures within each venue.</p> <p>LYG will ensure that there is no waste build up that may cause a fire hazard, suitable waste containers should be used.</p>				
20	Fire Prevention (Flammable Substances)	Use of flammable liquids & gases	All on site	<p>The use of petrol generators will be prohibited. Unless agreed in advance with LYG.</p>				

Ref	Activity	Hazard & Consequence	Who is at Risk	Control measures that must be in place to achieve the residual risk rating	Risk Rating			Actions/Comments
					L	S	R	
21	Electrical	Shock or burns, also fires from faulty or unsuitable equipment/cables, adverse weather conditions affecting certain equipment.	Site staff, contractors,	<p>All electrical equipment and generators are to be supplied and installed by reputable, pre-vetted competent contractors.</p> <p>All electrical systems are to be designed constructed and maintained in a condition suitable for use in the open air; and will be protected as necessary by 30mA residual current circuit breakers with an operating time not exceeding 50ms.</p> <p>All generators, distribution boxes etc. are to be positioned/enclosed to prevent unauthorised access, and will be suitably signed.</p> <p>A competent person should test and certify all electrical installation as to its safety on completion.</p>	4	4	16	

Ref	Activity	Hazard & Consequence	Who is at Risk	Control measures that must be in place to achieve the residual risk rating	Risk Rating			Actions/Comments
					L	S	R	
				A competent electrical contractor should be available to deal with any problems should they arise.				
22	Cable Runs	Exposed cables across designated traffic / pedestrian routes <i>Effect - damaged cables, trip hazards causing physical injury.</i>	Employees Contractors Participants Public	A minimum number of cable runs are to be used. Where possible, cable runs should not be in public areas. If unavoidable, then cable ramps or a similar method of securing cables in place is to be undertaken. These areas are to be monitored throughout the event. Cables are to be placed in such a way as to prevent slips, trips and falls.	2	4	8	
23	Lack of Medical Cover	Insufficient medical cover and resources <i>delays in treatment</i>	Guests	LYG have appointed a competent Medical Provider; Team Medic.	2	8	16	In the event of summoning an ambulance LYG are to

Ref	Activity	Hazard & Consequence	Who is at Risk	Control measures that must be in place to achieve the residual risk rating	Risk Rating			Actions/Comments
					L	S	R	
				<p>Team Medic will oversee all medical arrangements for the event, see the Medical Plan for full details.</p> <p>Presence of first-aid personnel at strategic locations; communication among these services and to central control functions of other services and the organisers; numbers and types of facilities currently as supplied by the service providers.</p>				<p>agree with venue who does this and who will meet the ambulance.</p>
24	Emergencies / Evacuation	Terrorist attack, lack of emergency plans, exit routes, panic, crushing, confusion, lack of preparedness resulting in unable to evacuate / summon assistance.	All persons	<p>The event is not currently considered to be a specific target for any terrorist activity, which would require full evacuation of the venue.</p> <p>Venues are to advise LYG on emergency procedures and routes to be kept clear.</p> <p>In the event of an incident the principal will be to separate persons from the hazard, as appropriate LYG are to summon emergency services.</p>	1	10	10	<p>The current threat level within the UK is SUBSTANTIAL, indicating an attack within the UK mainland is likely.</p>

Ref	Activity	Hazard & Consequence	Who is at Risk	Control measures that must be in place to achieve the residual risk rating	Risk Rating			Actions/Comments
					L	S	R	
				<p>LYG are to form an Emergency Liaison Team with key staff / venues in the event of an emergency.</p> <p>LYG will identify any guests that may need additional assistance in the event of an emergency incident.</p> <p>LYG are to ensure that all emergency exits are kept clear - no kit or equipment would block or obstruct these.</p>				<p>If a situation develops, the Event Liaison Team (ELT), will come together in a fixed location so that decision making and communications (internal and external), can be disseminated and implemented for the purpose of managing the situation.</p>

Ref	Activity	Hazard & Consequence	Who is at Risk	Control measures that must be in place to achieve the residual risk rating	Risk Rating			Actions/Comments
					L	S	R	
								In the case of an emergency, it may be necessary to convene an ad-hoc meeting of the Event Liaison Team to assist in managing the incident.
25	Accessibility	Poor access to venue, no accessible facilities	Guests Workforce	Venues are to have accessible routes and facilities in place. Where there are accessibility concerns LYG will liaise with the venue to manage access. Information available in a range of formats. Where there are participants with mobility issues the venue are to be informed to ensure	2	4	8

					L	S	R	
				<p>Safety boat to be in place, these are to be well maintained and suitably insured.</p> <p>Competent first aid provision in place on the land.</p> <p>There will be suitable communications between water rescue and land medical team - scenarios, roles and responsibilities must be agreed in advance. The transfer of injured persons from the water to the medical team are to be rehearsed.</p>				

6 EVENT CHECKLIST

Date.....Completed By..... Venue.....	Checked – any issues / further actions
Activity Areas – to be checked before use, clear of trip hazards, spillages or similar?	
Workforce in place and suitably briefed	
Areas in use have been approved by venue and does not obstruct emergency exit routes or emergency vehicle routes?	
Equipment – has it been checked and is it suitable for use?	
Are there suitable staff / marshals in place – have they been briefed by LYG on key safety /Safeguarding / Emergency info?	
Has weather forecast been checked? Any necessary actions required?	
Medic / First aid provision in place – are all staff briefed on summoning medical support, what to do in the event of having to use the 999 system? Venue Address? Where is nearest Walk in Centre, nearest A&E?	
Kayaking – Water Safety measures in place – Life jackets – have emergency procedures been agreed?	
Who is ELT and when / where would they convene in the event of an incident?	
Has Event specific LYG on-site RA been carried out and any potential issues discussed with Competition Director?	

7 RISK SUMMARY

By accepting this Risk Assessment, London Youth Games, acknowledges that they have a duty to ensure that all persons working on this project, and all other persons who may be affected by the identified risks, have access to a copy of this Risk Assessment.
