CO-PRODUCTION PROJECTS	
<i>Please note these are subject to change and will be directed by LYG staff and young people together.</i>	
Enhancing School Sport	To support School Games Organisers in finding methods to elevate youth input at the school games borough events which feed into the London-wide LYG events. This project is ideal for those who are interested in creating better experiences for students within school sport.
Diversifying Our Workforce	To engage more individuals with disabilities with LYG volunteering and leadership opportunities and ensure they are inclusive and accessible. This project is ideal for those who are passionate about inclusion, diversity, volunteering and/or leadership.
Delivering Sport As Young People Want It	To create and implement a youth voice feedback system for participants at London Youth Games School Games and Open Games events based on previous LYG33 recommendations. This project is ideal for those who enjoy engaging with other young people, might be creative and is driven to create safe spaces for young people to share their views.
Elevating Marketing & Communications	To ensure our marketing, social media and communications are representative of what young people want and need. This project is ideal for those who are interested in creating content and are passionate about showcasing the abilities of young people through media.
